Segments | FAQs

Written by Team Blaze

Updated over a month ago

1. Segments from which social platform are supported on Blaze?

Currently segments from Twitter, LinkedIn, Telegram and Discord are supported on Blaze

2. Can I create a sub-segment from a segment?

Yes, you can create a sub-segment from a segment.

- Head to the segments page
- Click on "Saved" segments
- Select the segment you want to create the sub-segment
- Apply the suitable filters
- Click on "Create segment" and give a suitable name
- Your sub-segment is created

3. Can I delete a segment?

To delete a segment, email us at support@withblaze.app

4. Can I apply filters to locked curated segments before purchasing it? Can I purchase partial curated segment?

For now, It is not possible to purchase any curated partial segment. All filters can be applied after buying the segment using credits.

5. What all information can I get while creating a segment?

Blaze tries to provides the following information whenever possible.

6. Do you provide Email Enrichment for leads?

Yes, we provide email enrichment but for LinkedIn segments only. To send us email enrichment requests, drop a mail at support@withblaze.app.

7. What type of links work with LinkedIn Upload Segment

For linkedin upload, here are the do's and don'ts:

a. Check the segment you are uploading is for users/leads and not company pages

b. The links for users should contain their usernames

i. Supported: <https://www.linkedin.com/in/alexndimes/>

ii. Not supported:

https://linkedin.com/in/ACwAACSOyAQBLnY67UAEAcYi3sUfWDNEr_Dh7CI

In case of any doubts/issues, please reach out to us in our support chat.
