1. Head to the activity tracker page
2. Click on "Edit Campaign"
3. Click on "Edit Form"
4. Make the changes required
5. Click "Update"

A success message with "Form Updated" will pop up on the top left corner of the product.

Can I edit a quest?

Yes, post the creation of a rewards campaign, you can edit the quest page through the activity tracker page.

1. Head to the activity tracker page
2. Click on "Edit Campaign"
3. Click on "Edit Quest"
4. Make the changes required
5. Click "Update"

A success message with "Quest Updated" will pop up on the top left corner of the product.

∨ How often does the quest data get refreshed?

Quests data is refreshed every 24 hours.

Rewards

∨ What can users do with points?

Users can redeem their points as rewards in the form of NFTs based on their leaderboard standing

∨ I did a task but I don't see the points being added for that task, why is that?

The data refresh happens at regular short intervals and hence there might be a delay in the reflection of points. You can view the last updated time period on the dashboard.
